

Performed renal transplants Rikshospitalet 1969-2010.

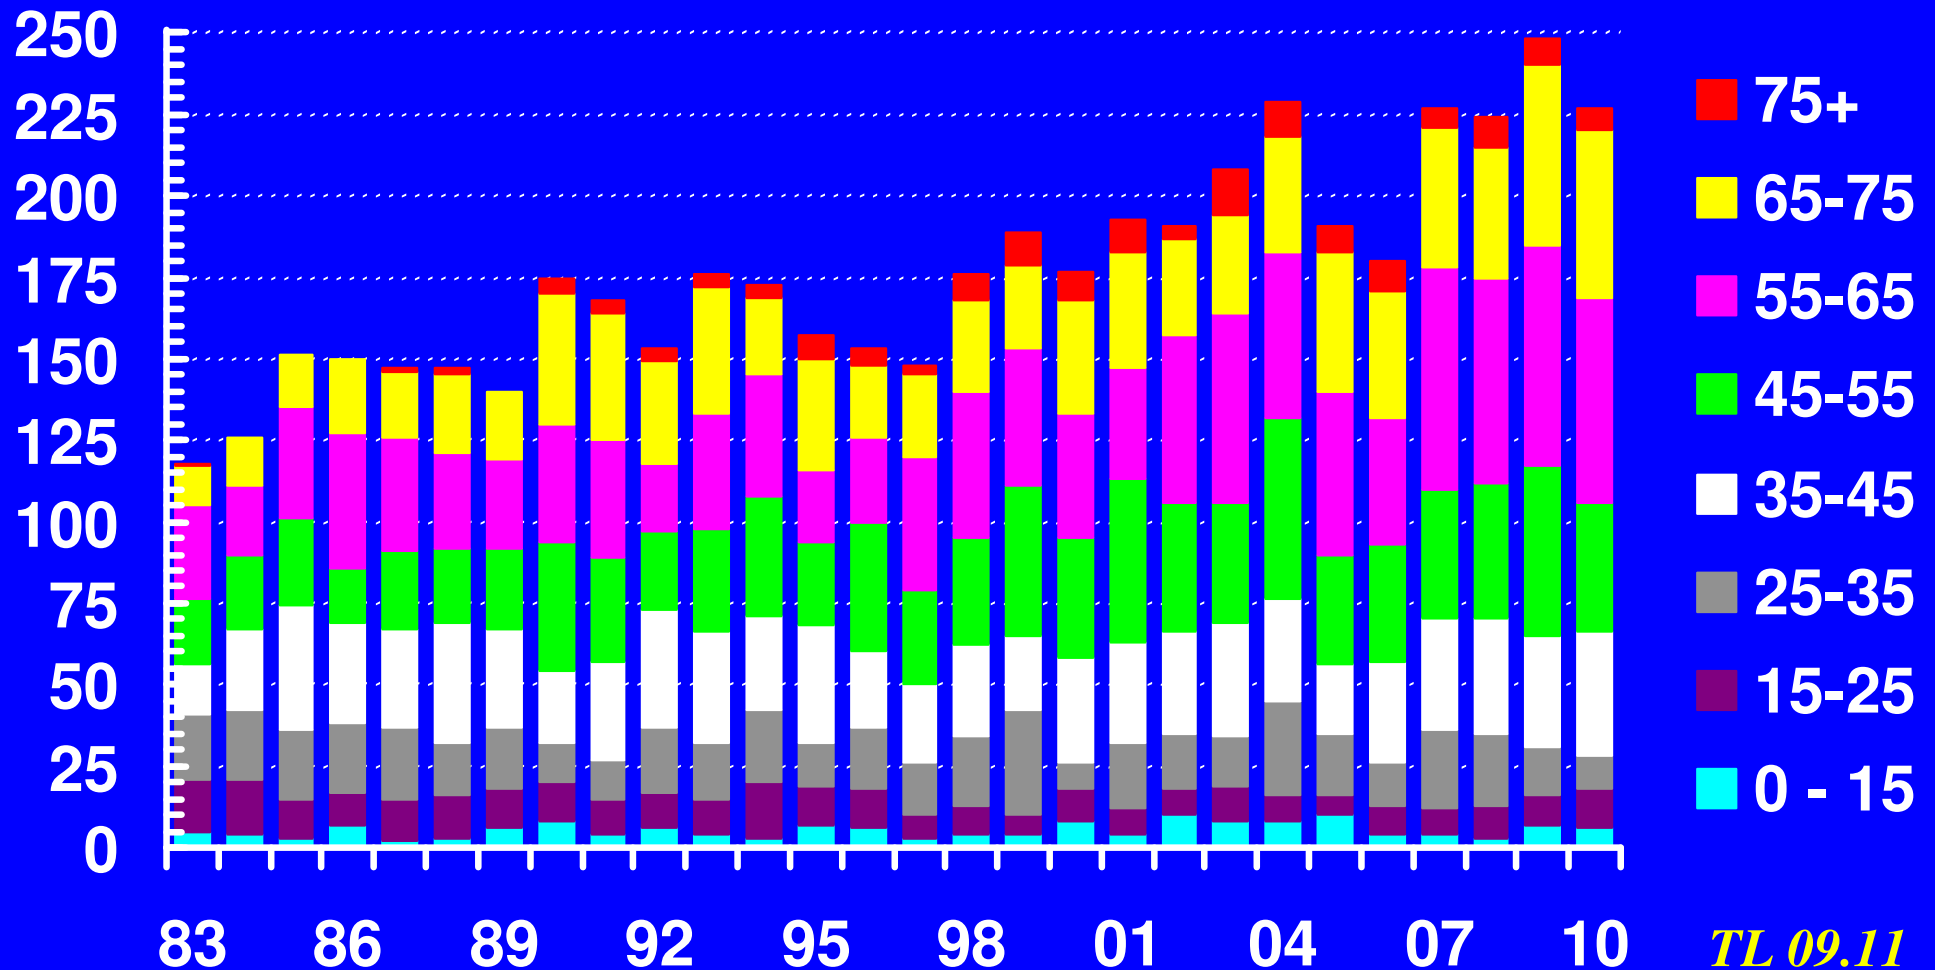

Performed renal transplants Rikshospitalet 1969-2010.

Age at first renal graft

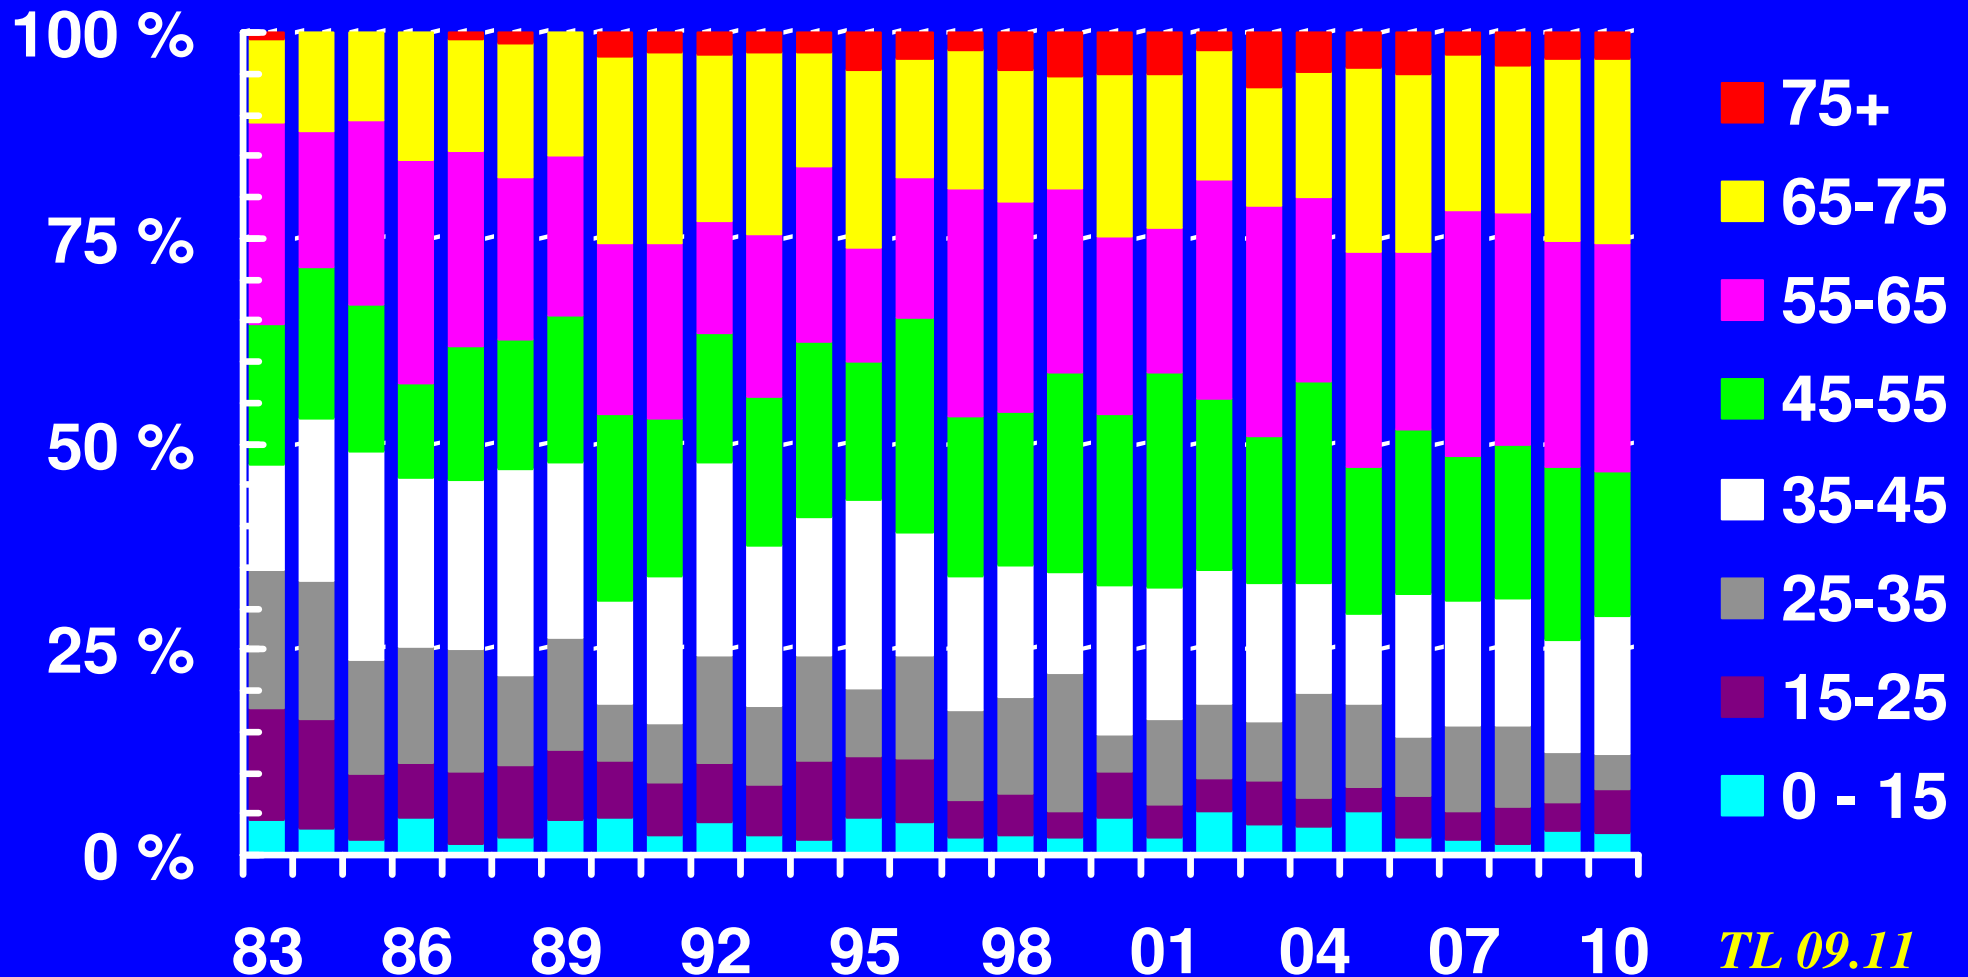

Norway 1983-2010

TL 09.11

Age at first renal graft

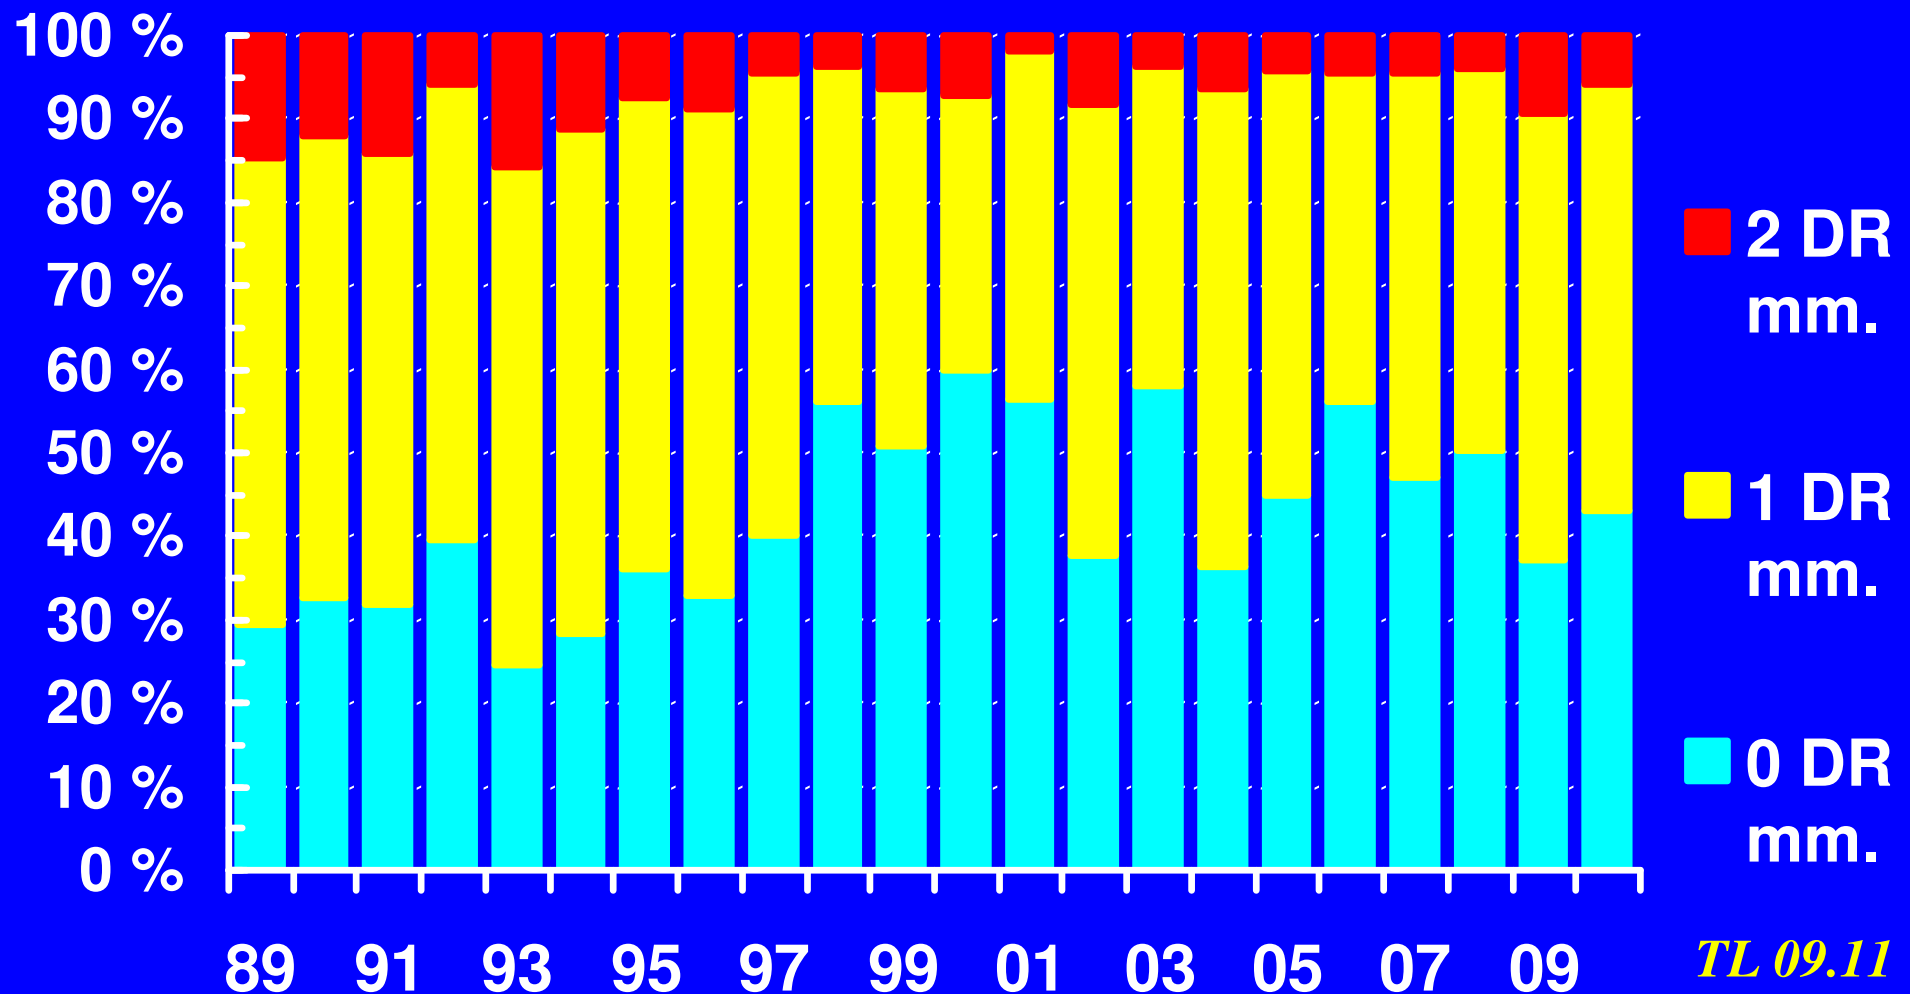

Norway 1983-2010

TL 09.11

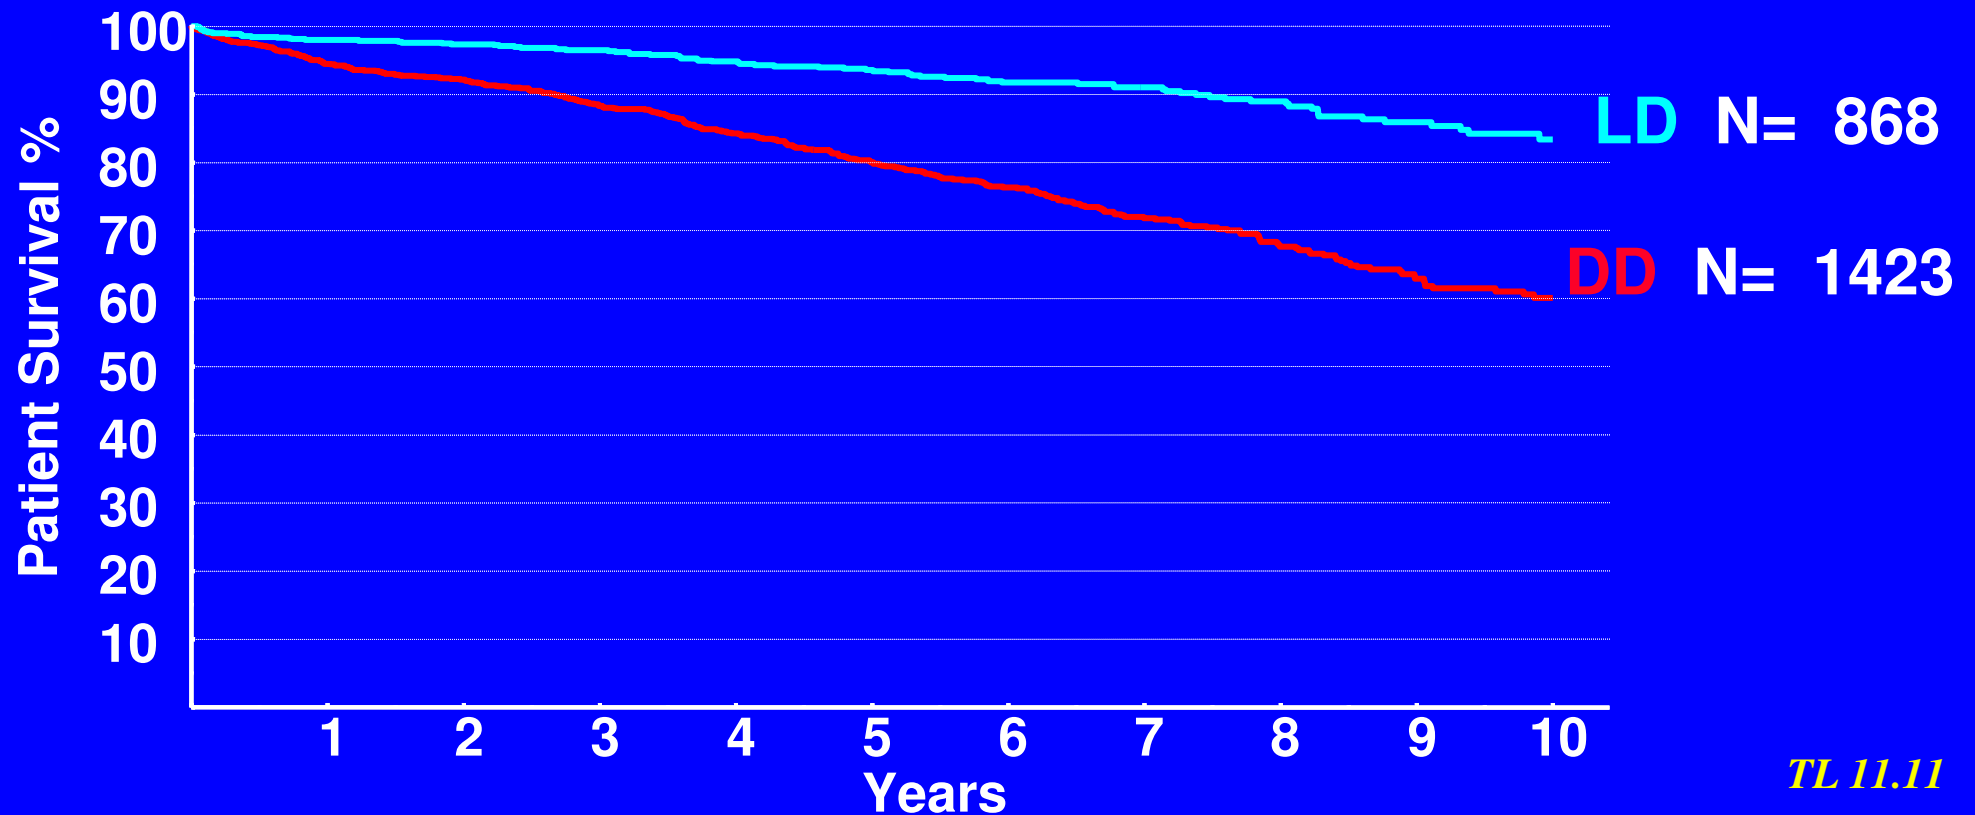

Første gangs DD-nyre-tx

Matchgrad (HLA DR 1-14) pr. år

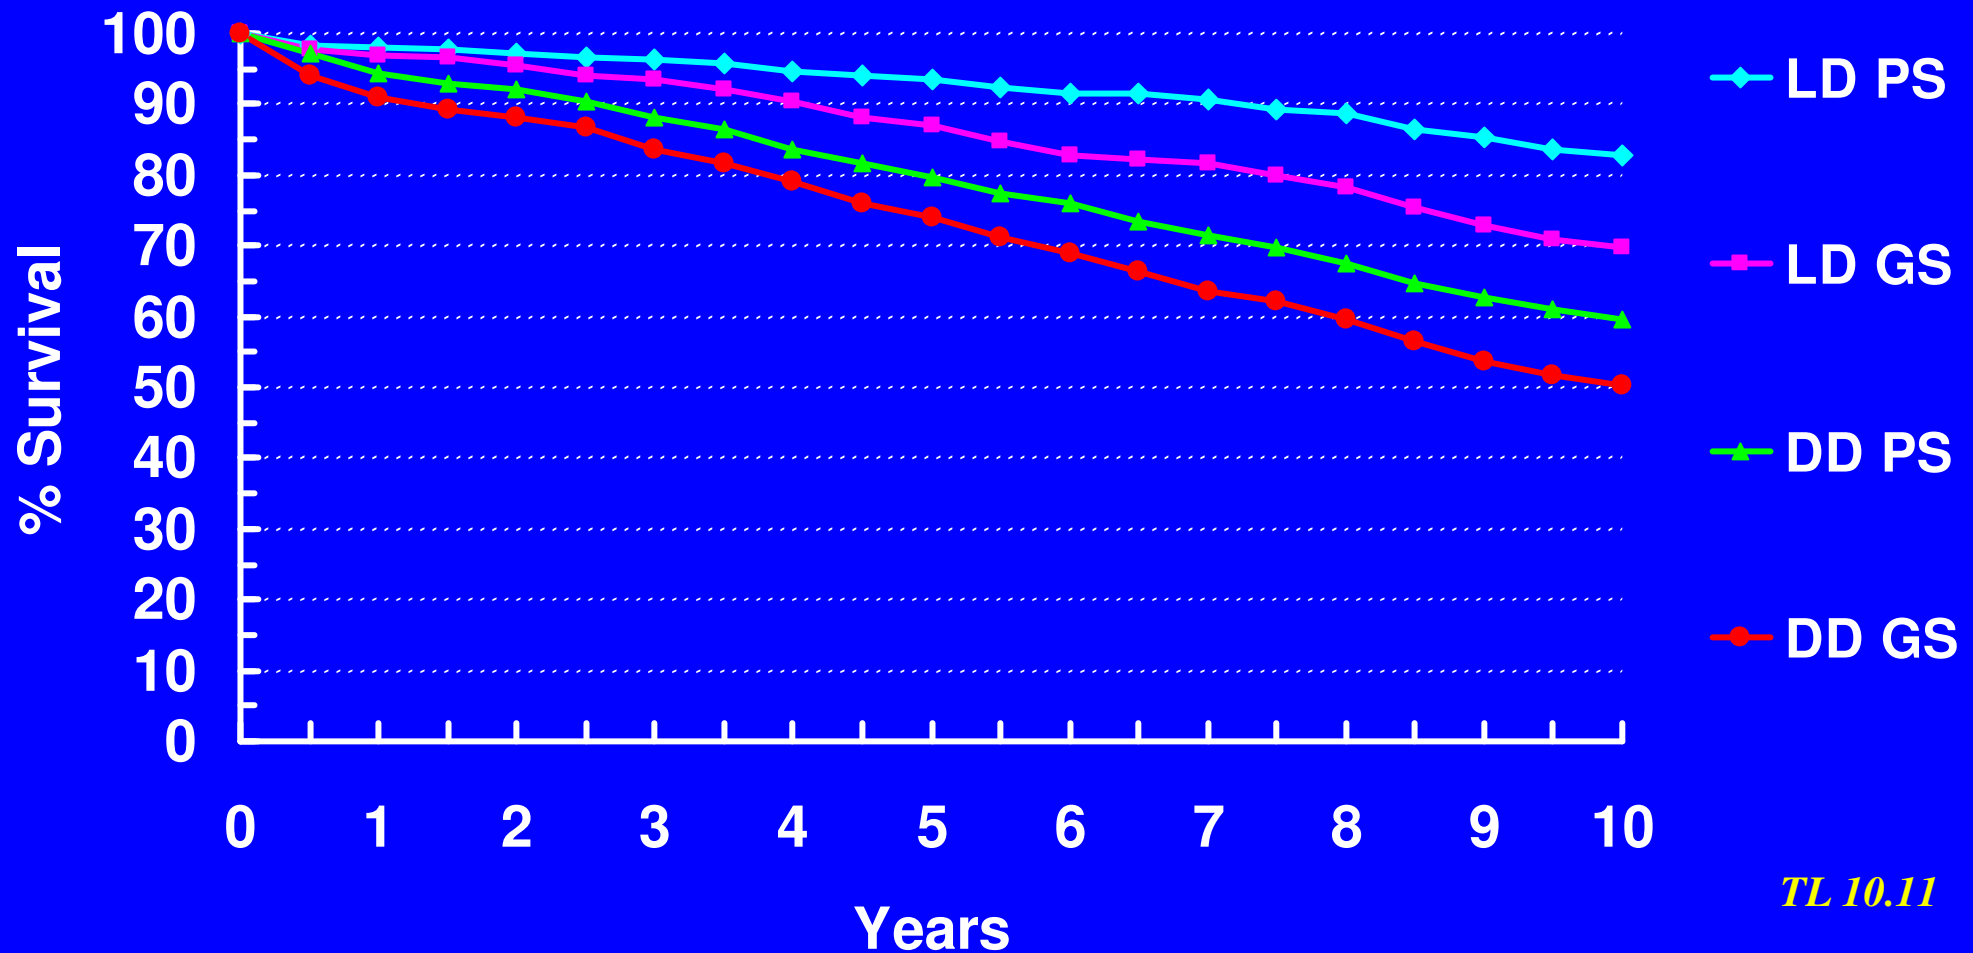

TL 09.11

Patient survival after first renal graft. By donor source. Norway 2000-2010

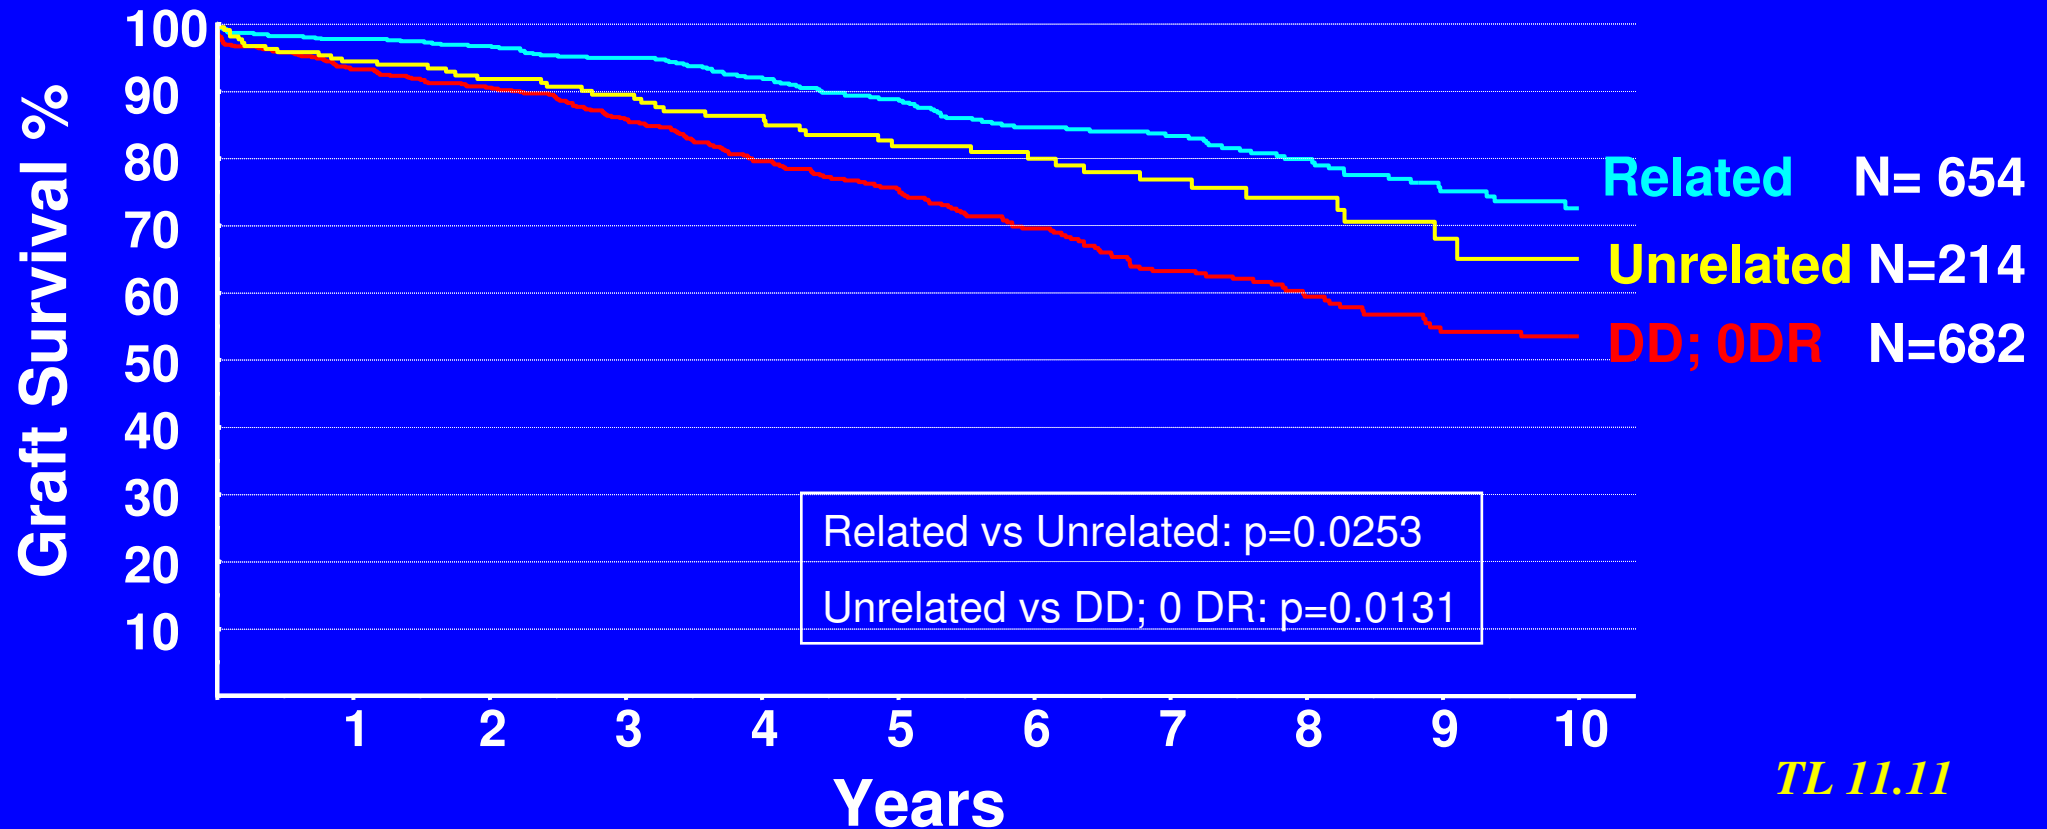

TL 11.11

Patient and graft survival after first renal transplantation, 2000-2010

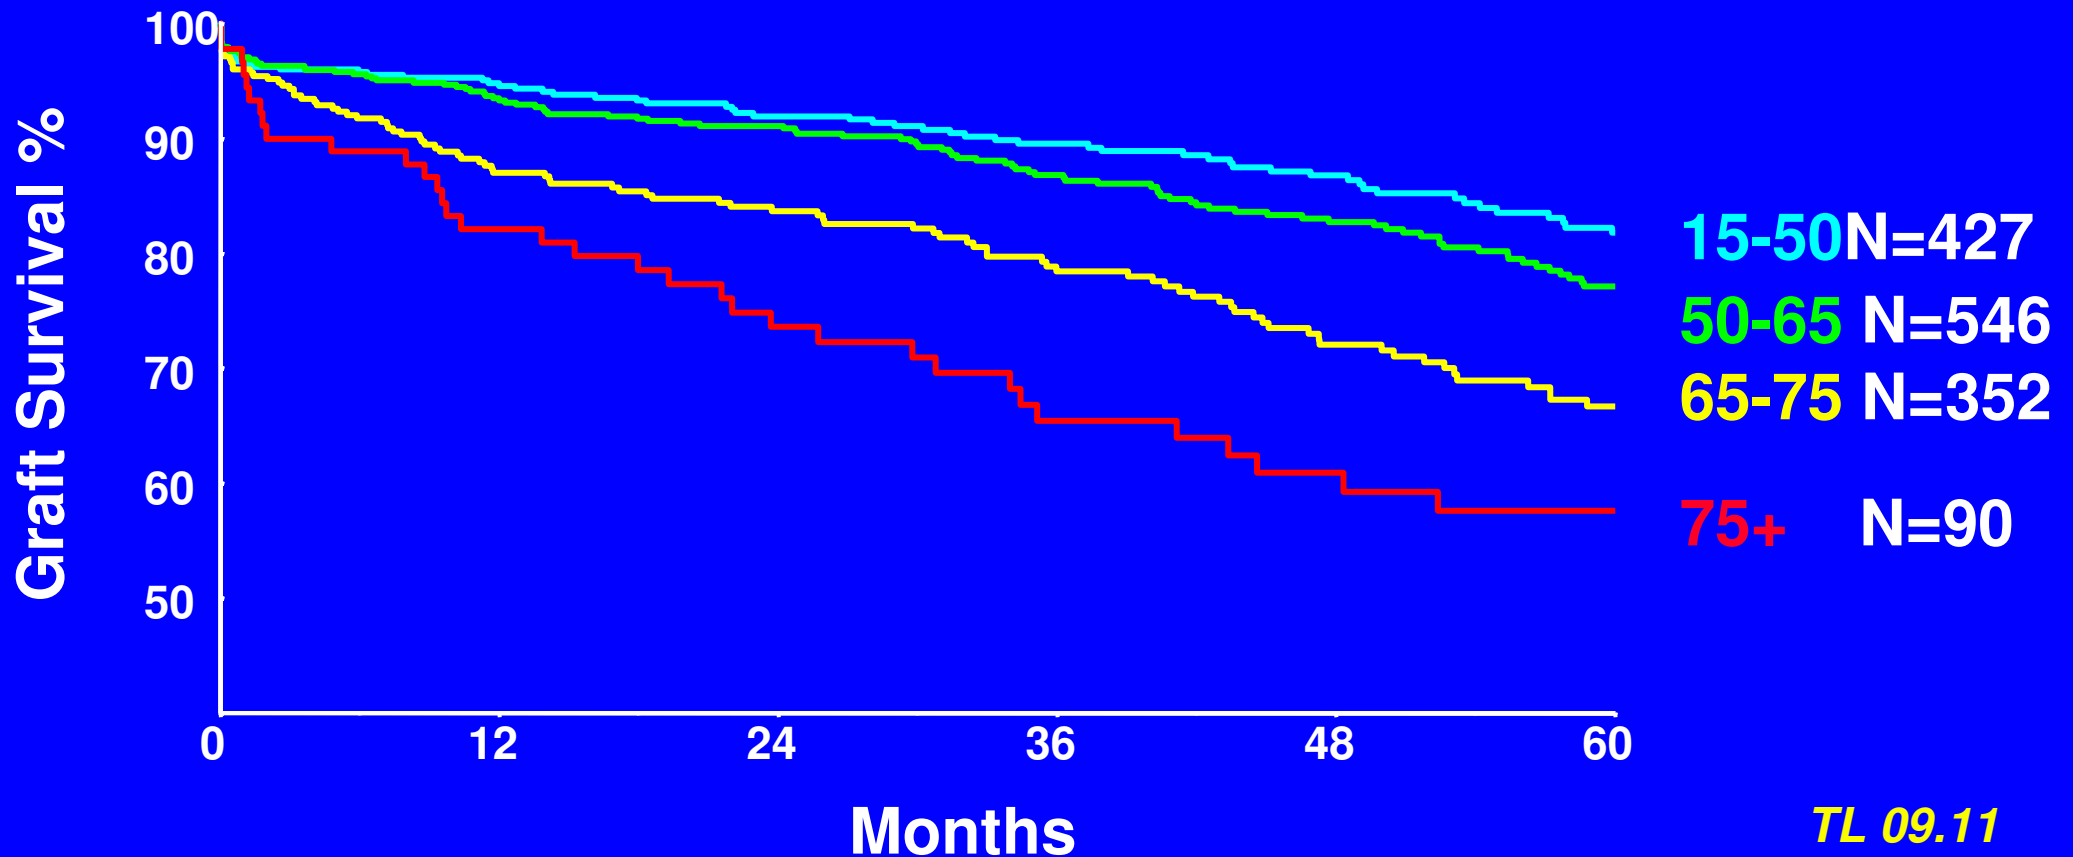

Survival of first renal grafts

By donor source. Norway 2000-2010

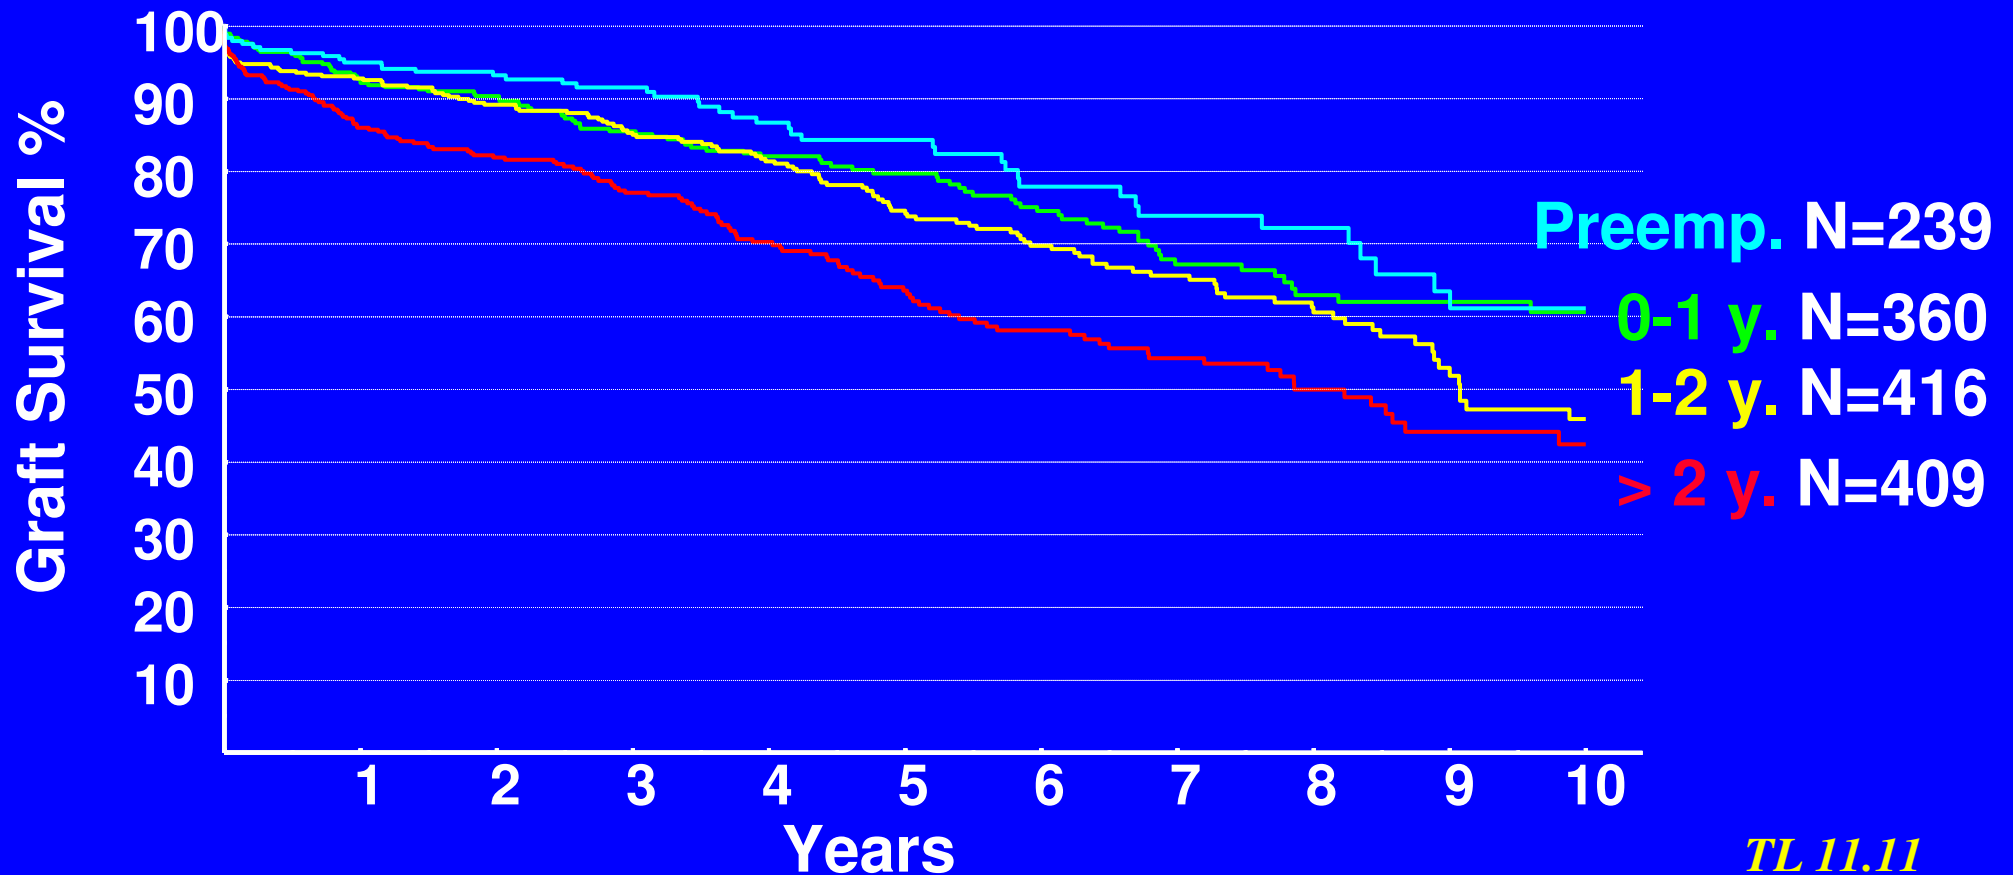

Survival of first renal DD grafts.

By recipient age, Norway 2000-2010

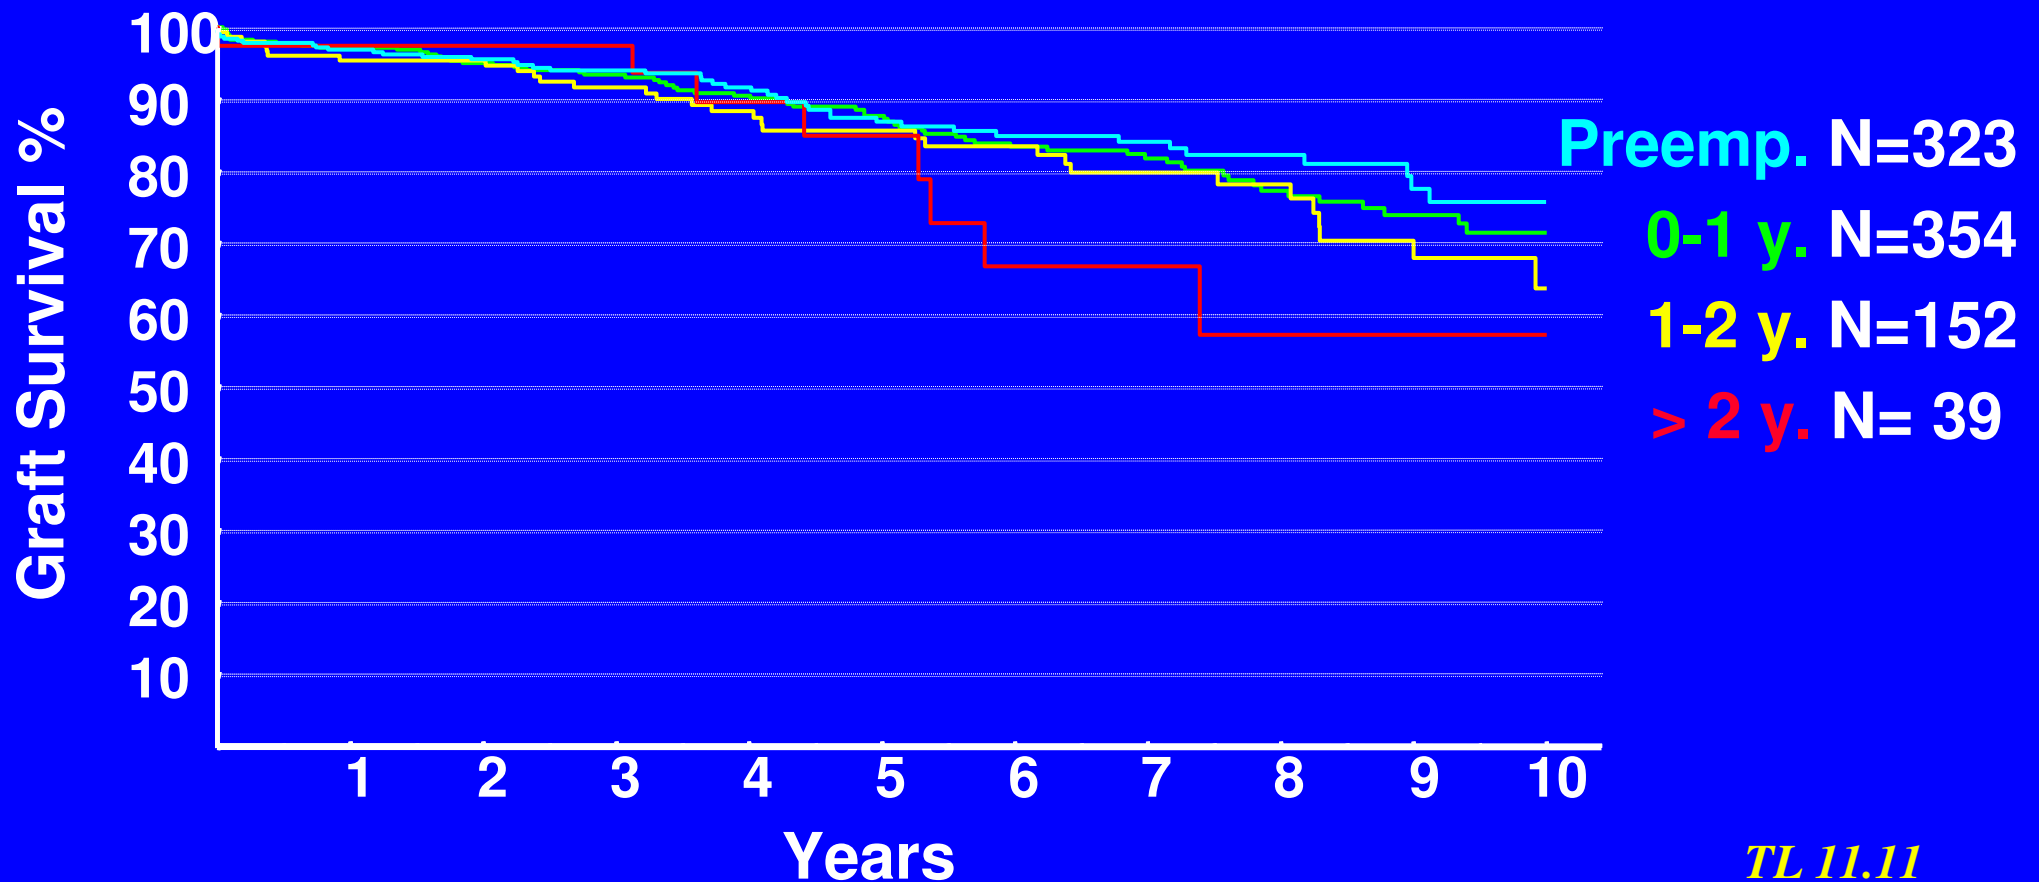

TL 09.11

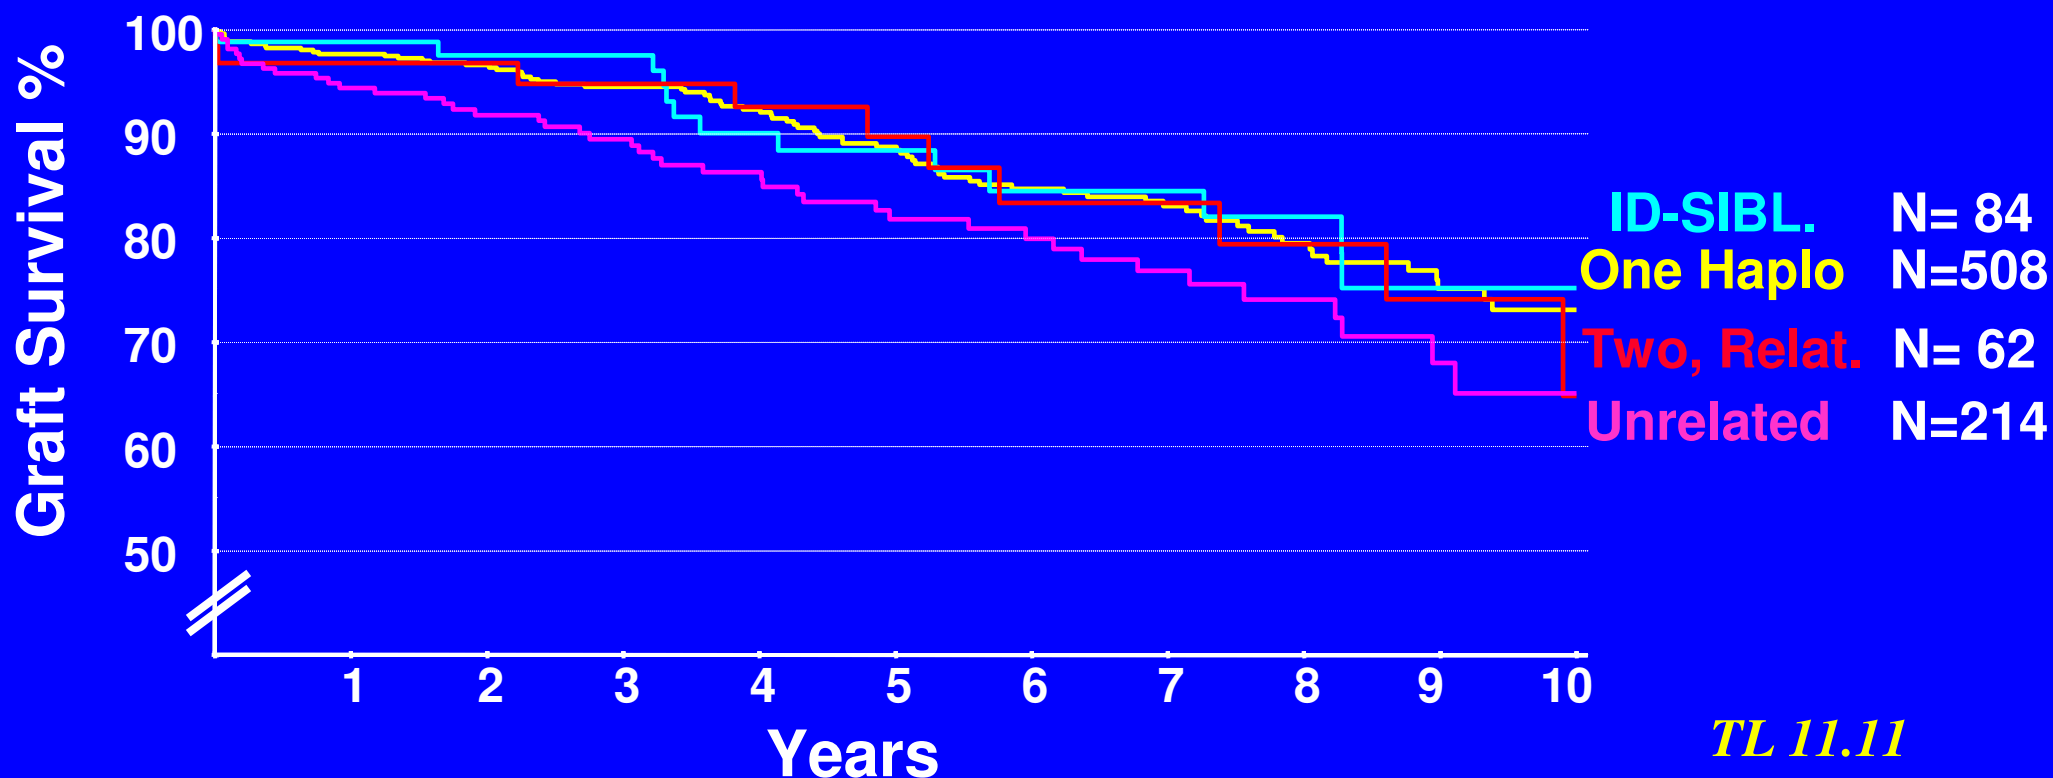

Survival of first renal DD grafts. By time on dialysis. Norway 2000-2010

Survival of first renal LD grafts. By time on dialysis. Norway 2000-2010

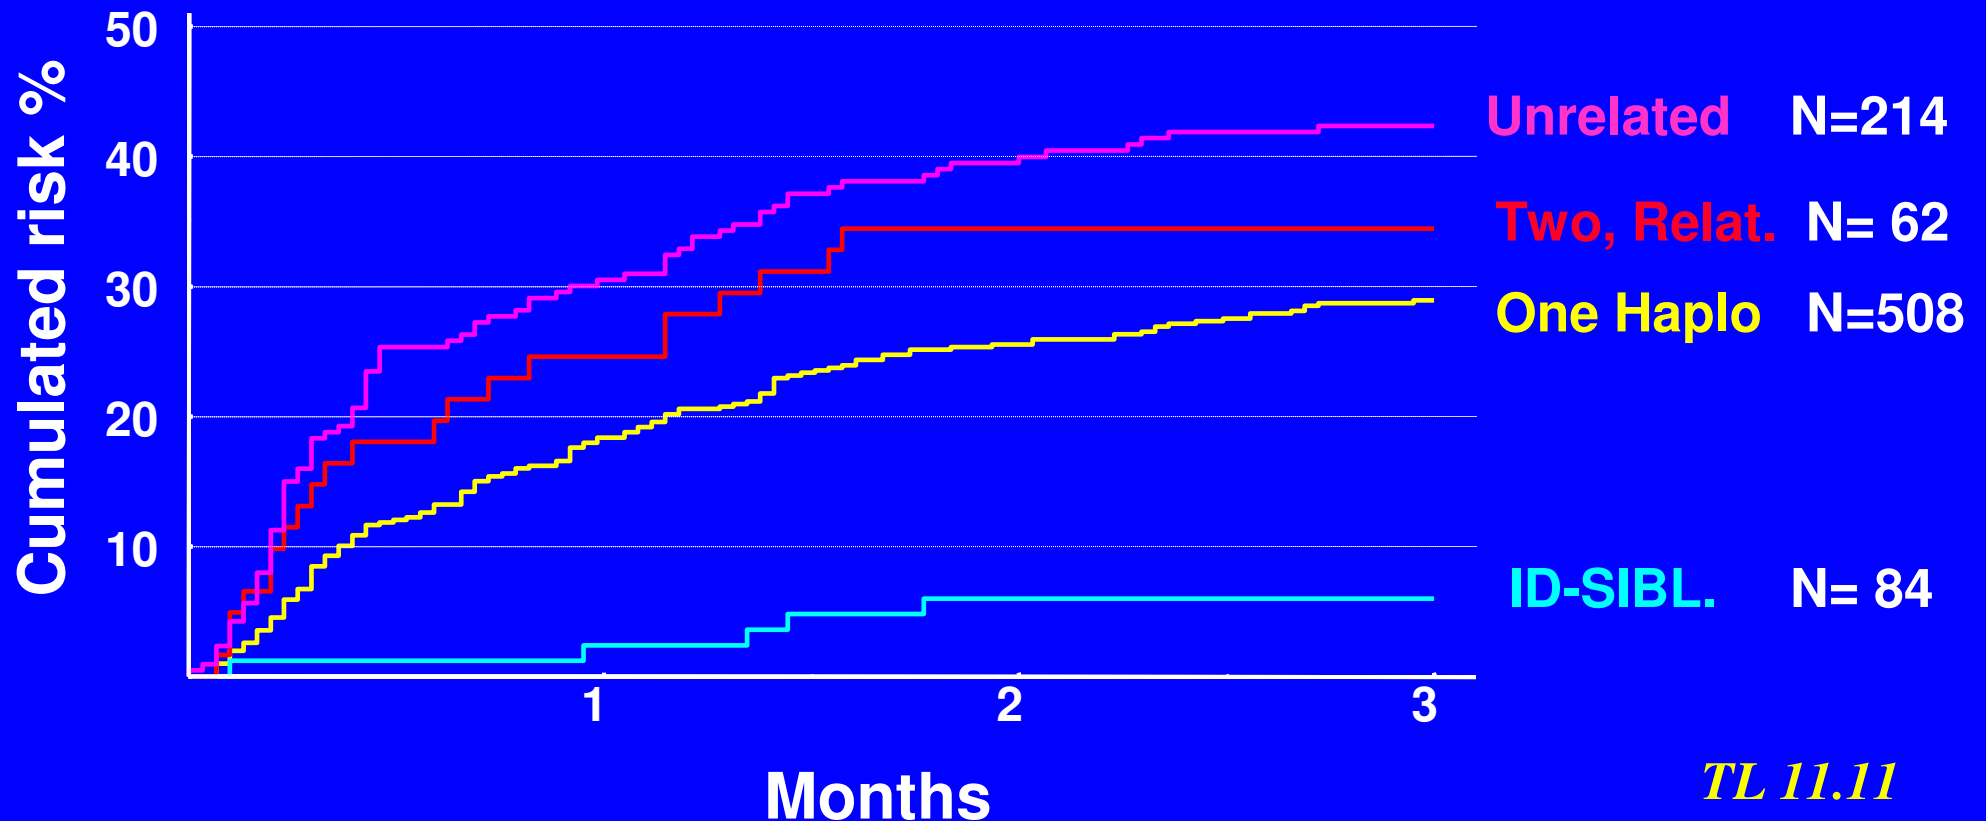

Survival of first LD renal grafts By HLA-haplotype match. 2000-2010

Cumulated risk of rejection episodes

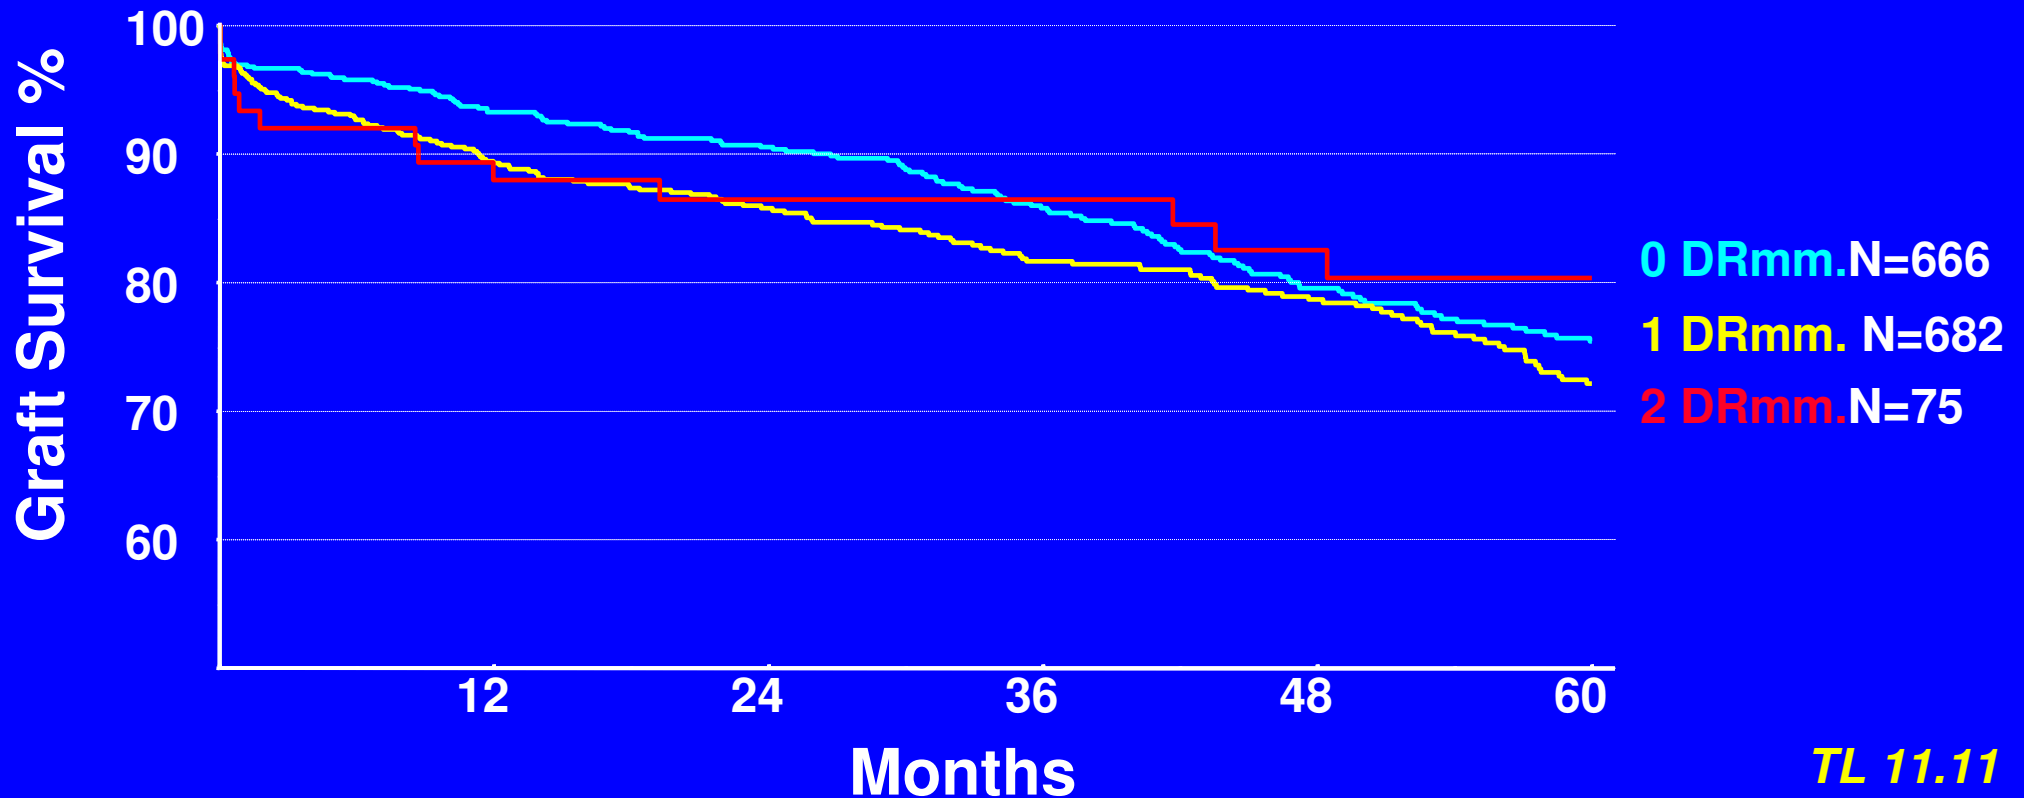

First LD renal graft, by haplotype match. 2000-2010

TL 11.11

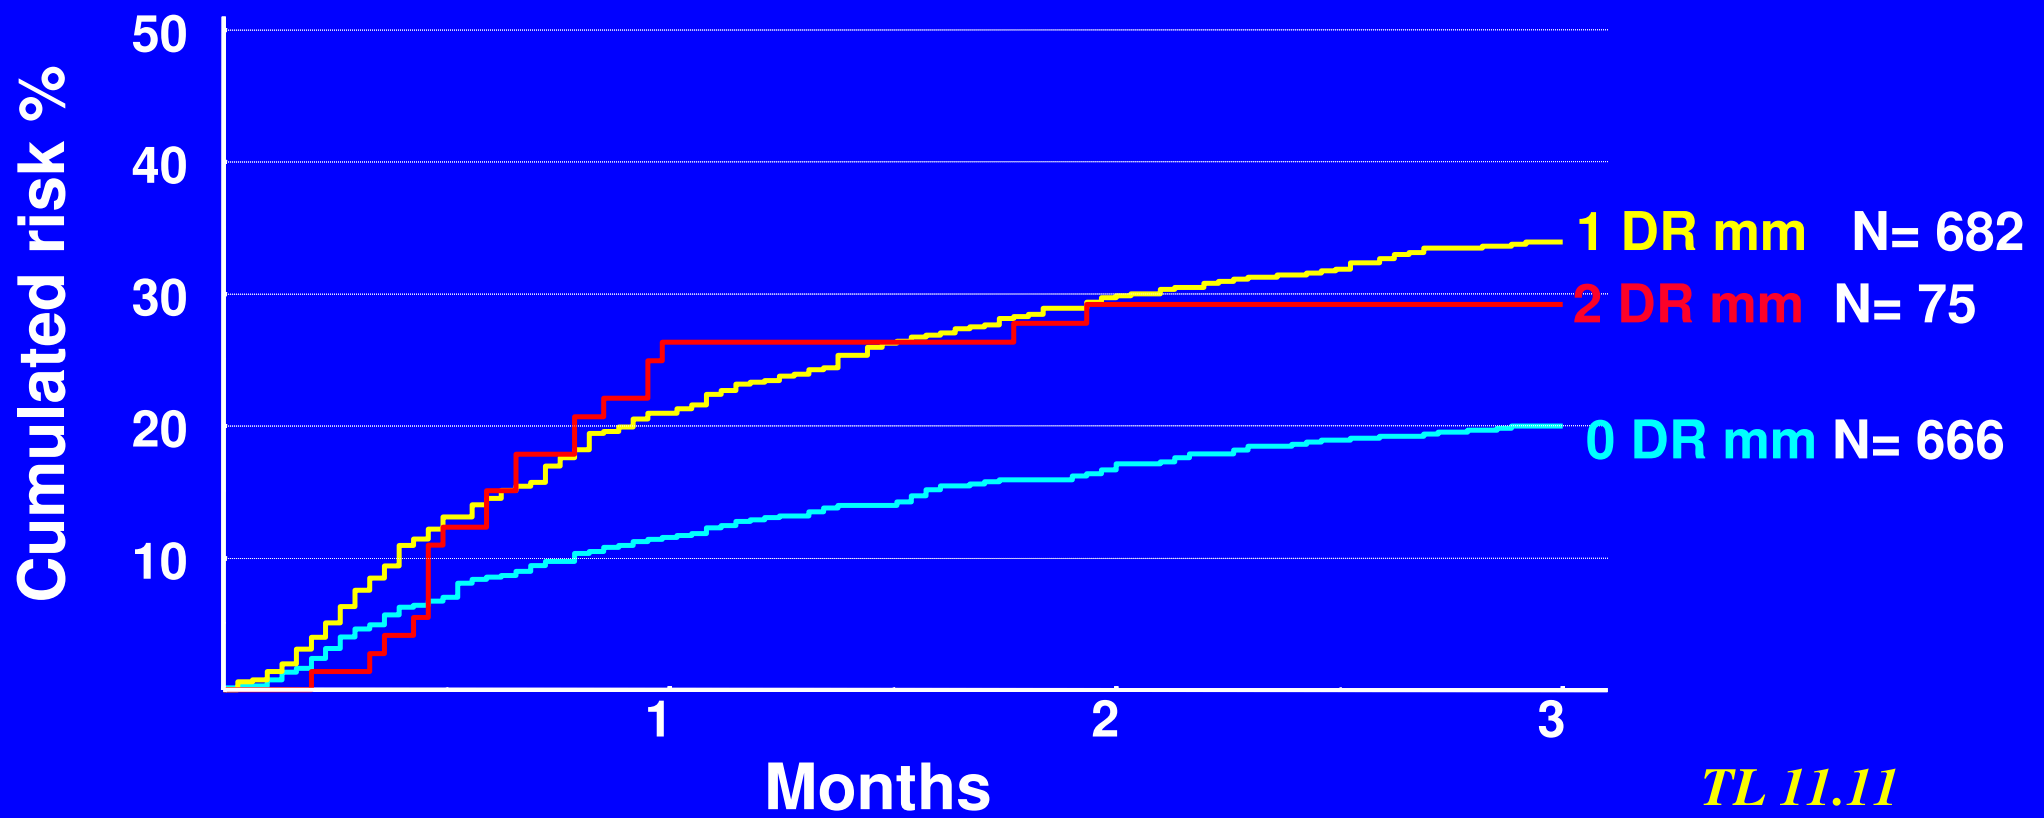

Survival of first renal DD grafts.

By HLA-DR match, Norway 2000-2010

Cumulated risk of rejection episodes

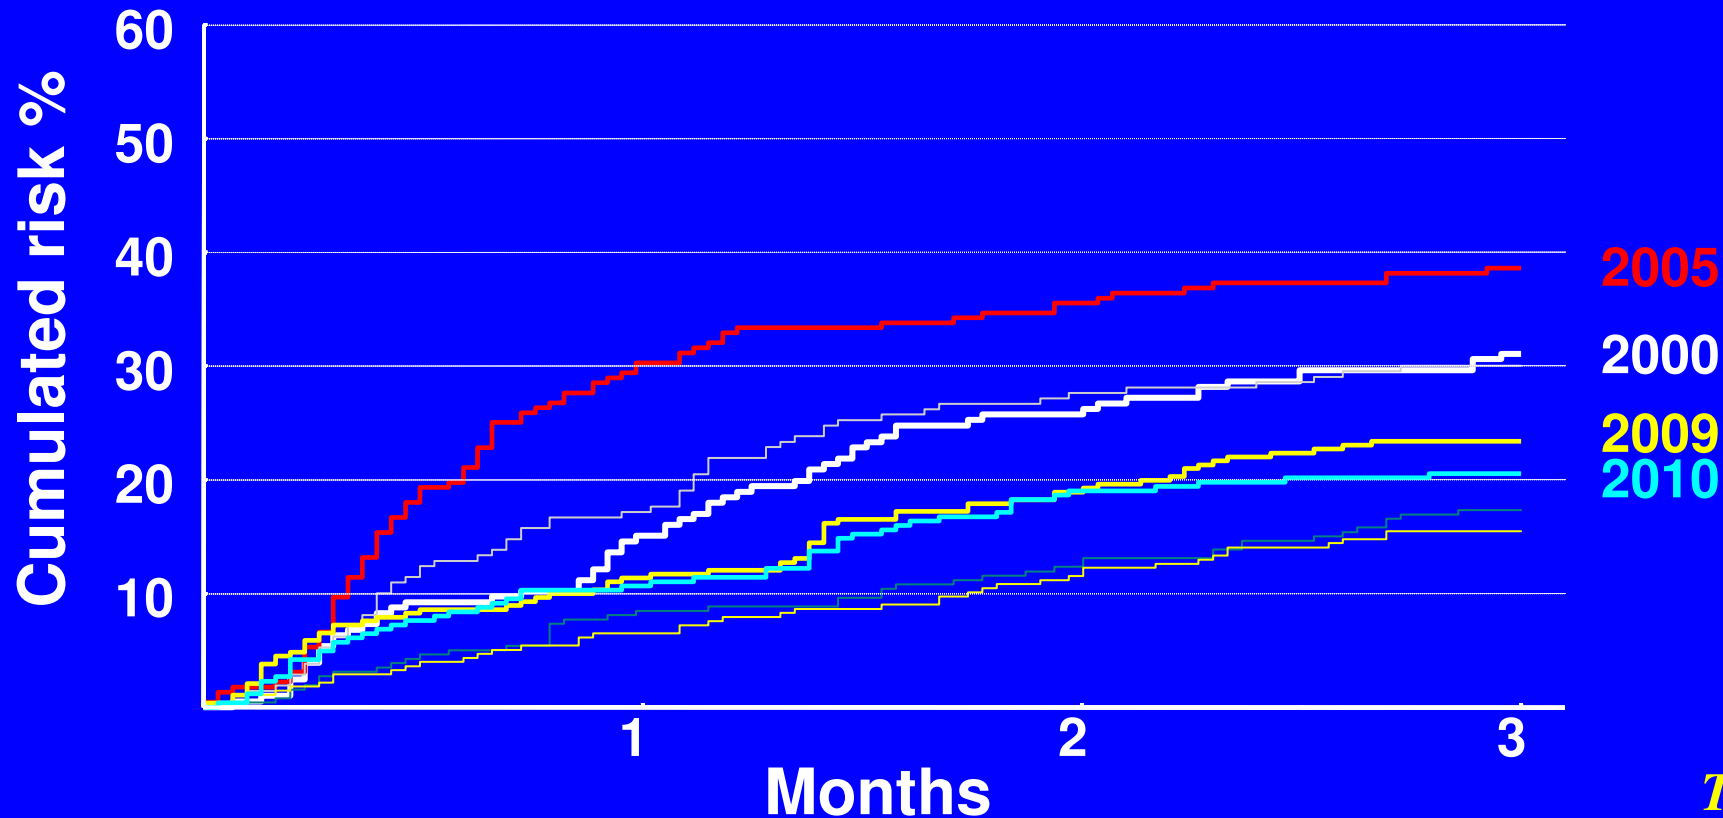

First DD renal graft, by HLA-DR match. 2000-2010

TL 11.11

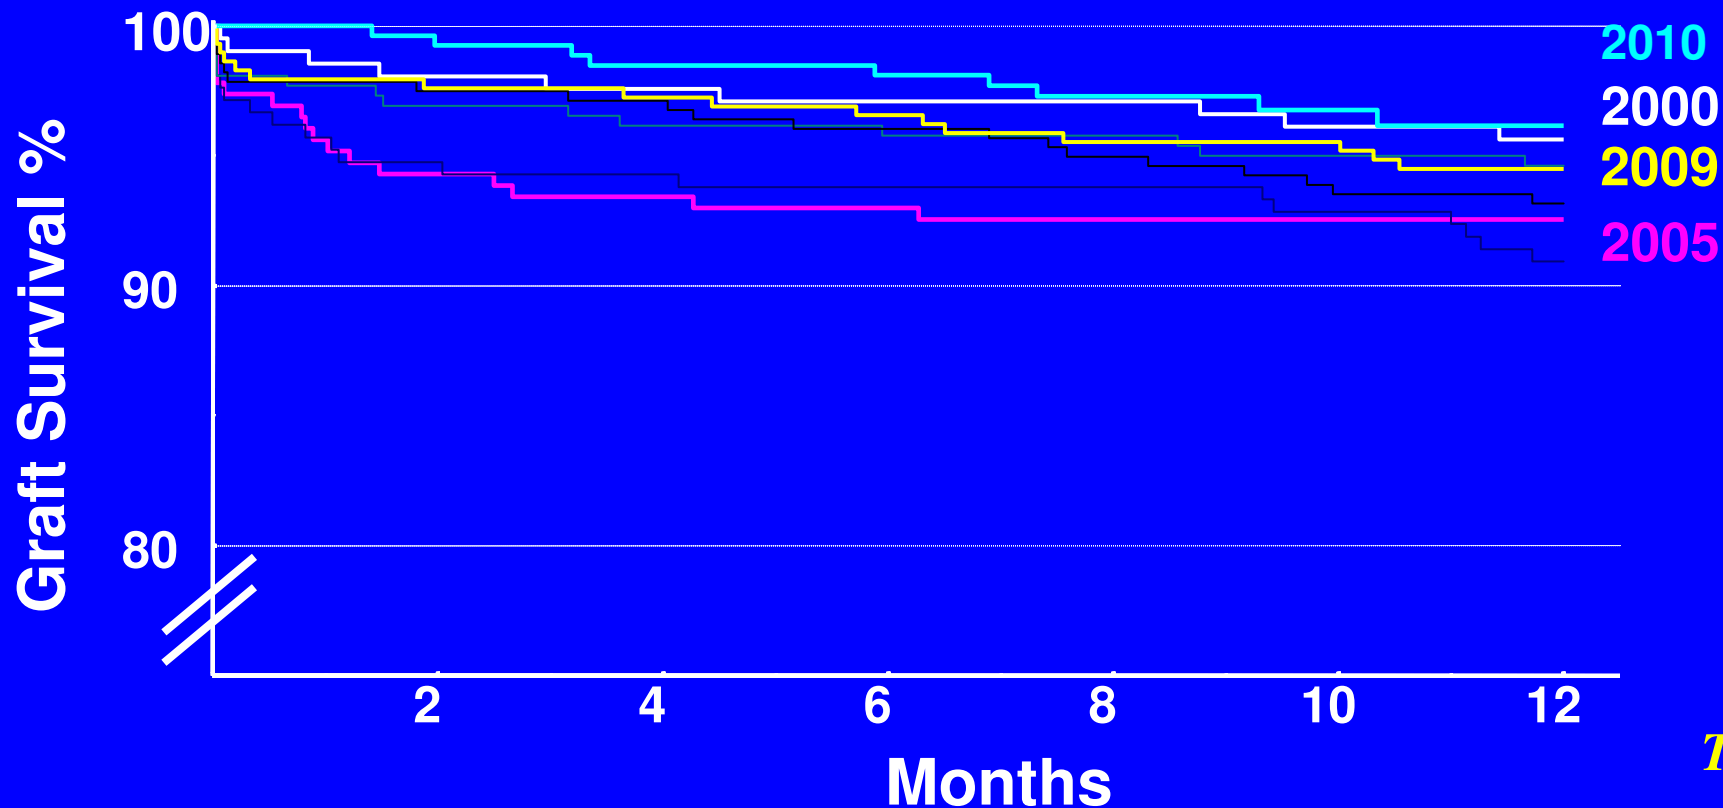

Cumulated risk of rejection episodes

By Tx-year. Norway 2000 & 2005-2010

TL 11.11

First year renal graft survival. By Tx-year. Norway 2000 & 2005-2010

TL 11.11
